DIRECTIONS:

1. Identify the courses you plan to take by **circling or highlighting the course number/name** and putting the credit value of the course in the **"Credit Total"** column. (The course names, numbers, and descriptions can be found in the Course Selection Guide.)

2. A total of **8** credits must be scheduled for the 9th grade year.

3. You **must** also select **2** alternate credits in the event that your first choices of credits are unable to be scheduled.

Required courses are selected below. Elective and alternate courses are on the back of this sheet. **BE SURE TO SELECT REQUIRED, ELECTIVE, and ALTERNATE COURSES.**

TOTAL CREDITS REQUESTED (MINIMUM OF 4.5)

As a suggestion to aid both parents and students in course selections, 8th grade teachers may initial the course they feel is most appropriate for students. Teacher recommendations will be noted in the Sapphire Portal when scheduling.

*If English Fundamentals is scheduled, 4ENG104 English 1 MUST ALSO BE SELECTED.

**Both course numbers MUST be selected (4ENG601, 4SOC103).

***Algebra 1 A/B - Taking this class DOES NOT give you two math credits. While it is a two credit course, one credit counts as a math credit, the second credit is counted as an elective credit.

You **must** select ELECTIVE classes dependent upon the number of REQUIRED credits selected on the front page (Required and Elective courses must add up to 8 credits). You **must** also select at least 2 credits of ALTERNATE courses.
