ADOPT A GRADE PROGRAM

Our Adopt A Grade Program has been in full swing since school started. Unfortunately, we aren't near our goal!! Within the next few months the PTSO will have some large expenses including field trips, bussing, & yearbooks! We would also love to provide all students an ice cream cone during our Seal Sprint fundraiser. We will need your help!

Donations can be made in ANY AMOUNT at ANYTIME! Use the link provided or simply send a check/cash in an envelope marked "SAIS PTSO Adopt a Grade" with the specified grade level or special. Thank you to those who have donated!
