

Pack the Piggies!

March 26 -
April 9

Each grade level will compete to "Pack" their Piggie bank - whichever grade level raises the most money gets their own ice cream truck party!

ALL proceeds will be donated to Team Tabby in memory of Tabby Welshans.

In January 2024, Tabby (a 6th grader at Selinsgrove Middle School) was diagnosed with Diffuse Intrinsic Pontine Glioma (DIPG), an inoperable brain tumor.

Team Tabby was formed in order to financially and emotionally support Tabby and her family during her treatments and this fundraiser will go towards helping her family during this difficult time.
